

Environment Analyst Business Leaders' Forum 2019

18 June, London

15.30 Arrival and Register

16.00 Welcome and Introduction to the Afternoon's Proceedings

Julian Rose, *Managing Director, Environment Analyst*

16.10 Discussion One: Cultivating Longer-Term Thinking: Policy, Business Planning and Client-End Decision-Making

In light of major industry drivers and disruptors, such as the UK Government's 25-year Environment Plan, Brexit, ESG / Climate Risk and the digital revolution.

Martin Baxter, *Chief Policy Advisor, Institute of Environmental Management and Assessment (IEMA)*

17.00 Discussion Two: Talent Acquisition and Retention as a Critical Business Imperative

Towards achieving enhanced equality, diversity & inclusion in the professional environmental and sustainability services space, and considering the human resource impact of digital innovation.

Peter Skinner, *Chief Executive, Environment & Ground Engineering, EMEA, AECOM*

17.50 Discussion Three: Beyond Client Advice: What Should We, as Environmental Business Leaders, be Doing Ourselves?

What should consultancies be doing to apply corporate sustainability standards? How is the sector delivering the SDGs beyond the core business of delivering 'sustainability projects' for clients?

18.35 Networking Drinks and Buffet until 8pm

The discussion sessions will be followed by drinks and a buffet dinner.
